

Vaccination Policy

Canine:

The following is Dog Town & Kitty City's Vaccine Policy which applies to all dogs attending daycare, boarding, training classes and grooming services.

Vaccine	Frequency
Distemper Complex (Distemper, Parvovirus, Adneovirus/ Hepatitis, Parainfluenza, Corona, & Lepto)	As required by vet
Rabies	Required every 3 years (by state law)
Bordatella (Kennel Cough)	Yearly
Influenza	Yearly

Negative fecal checks are required every 6 months or yearly with proof of year around preventative.

All puppies & dogs must be in their new home for a minimum of 14 days prior to attending daycare, boarding, classes, and grooming services.

Dogs must be current or started series on Distemper, Rabies, Bordatella, Influenza and have a negative fecal exam prior to entering our facility.

Puppies (under 6 months of age) must have distemper vaccine from a veterinarian at least 10 days prior to attendance, Bordatella vaccine at least 3 days prior, and a negative fecal before any service can be provided.

The following is Dog Town & Kitty City's Vaccine policy which applies to all cats attending daycare, boarding, and grooming services.
